God for Christ - mas day !

1. Mary was troubled, scared and confused,
 Stunned by the angel's incredible news.
 Simply responding, bowing her head,
 'Let it be as you have spoken', she said.

2. Long months of waiting, long journey's end -
 Born is the babe we can scarce comprehend.
 Sleeps in a feed-trough. What kind of Lord
 Casts off the comforts that wealth can afford?

*Angels in white on Christmas day,
 Glorious sight on Christmas day
 Filling the night with light on Christmas day.
 Heaven uncrowned on Christmas day,
 Message profound on Christmas day,
 Turns the world upside down on Christmas day.
 Thank God for Christmas day !*

3. Magi came searching, travelling far,
 Led on their journey by heaven-sent star.
 Worship the new-born, showing us how
 No-one's too grand at God's cradle to bow.
